

Love doing surgery?
Want to join an experienced Veterinary team?
Like to enjoy the city lifestyle, with nature on your doorstep?

Who are we?

<https://youtu.be/BmAlt2uzpkY>

We:

- Are a friendly, supportive small animal practice that takes great pride in what we do.
- Want to expand our surgical caseload with someone who loves to do surgery and has developed the skills, and we provide the backup of experienced clinicians.
- Have a huge range of interesting cases, both medical and surgical.
- Have a supportive team of dedicated nurses, receptionists and administrative staff
- Maintain accreditation as an ASAV Hospital of Excellence.
- Strive for continuous improvement and growth in the way we work.
- Have fantastic clients who can, and want to invest their time, love & finances on their pets.

Are you?

Someone:

- with some experience and a surgical bent.
- with a commitment to practice development & who takes pride in your work.
- Who enjoys collaboration with your colleagues in case management.
- Who is considering practice ownership

International applicants with a degree registrable and eligibility to work in Australia are welcome to apply.

So. Canberra huh?

All of our current vets moved here and have never left and the bosses moved here over 20 years ago, have raised their families here and love living here. With great restaurants & cultural institutions and the bush only a couple of minutes away it offers all the best of city living, while providing all the advantages of life in the country.
